PROFILE

I am a dedicated fourth-year undergraduate student at Louisiana State University and was selected into the College of Interior Design class of 2026. Combining strong customer service expertise with a flair for creative thinking, I demonstrate ability to conceptualize and execute design solutions that enhance aesthetic appeal and functionality. Through years of commitment, I have immersed myself in the design community through various different perspectives, creating my passion and understanding for the field. My innovative mindset is reflected through my work experience, and I am committed to integrating this passion and motivation into my career.

WORK EXPERIENCE- INTERIOR DESIGN

TEXTURE | BATON ROUGE, LOUISIANA 2021-2022

Previously employed as a store employee, I assisted in selling inventory items as a desk receptionist. My responsibilities included aiding customers in selecting items for their homes such as curtains, rugs, lamps, furniture, etc.

WTD ARCHITECTURE | BATON ROUGE, LOUISIANA 2023-present

Currently employed as part-time employee, I am committed to selecting finishes for commercial projects, assisting in completing renderings through Sketchup and Enscape, and drawing out floor plans through CAD and Revit.

TRENDS BY DESIGN | BATON ROUGE, LOUISIANA 2024- May 2025

Previously employed as spring intern, I selected furniture and finishes for residential projects, managed customers in the retail showroom, assisted with installs and presentations, put furniture layouts into plan using Revit, and used Canva to create content for the Instagram.

EJ INTERIORS | DALLAS, TEXAS May 2025- July 2025

I Completed a summer internship supporting residential interior design projects, including sourcing finishes and fabrics in the Dallas Design District, coordinating with vendor reps, and drafting small floor plans in AutoCAD while gaining hands-on studio experience.

WORK EXPERIENCE- CUSTOMER SERVICE

ELEVE FITNESS | BATON ROUGE 2024-Present

Currently employed as a store employee, my duty consists of working as a front desk receptionist, helping customers with membership fees, retail, and checking them into classes. I also efficiently complete a list of tasks each shift to ensure the studio is well kept and machines are working properly.

CHILDCARE PROVIDER| BATON ROUGE 2022- Present

Currently joined into my sorority's club that has an obligation to watch over children, houses, and pets around Baton Rouge, which furthers my experience in communicative skills and responsibility.

GOURMET GIRLS | BATON ROUGE Summer of 2023

Previously employed as a store employee, my job entailed prepping lunches, selling retail, and working as a desk receptionist. I also assisted the chef with taking cater orders, and helping customers in selecting inventory throughout the store.
